ALL GOOD

UNLOCKING RESILIENCE

Through your generous support, our 2023 benefit raised nearly \$19,000! That money was used to stock our shelter programs with much-needed hygiene supplies, including toiletries and feminine products. These items, which many of us take for granted, provide daily comfort and a sense of normalcy to those experiencing houseless.

Help us ensure that we continue to provide comprehensive, trauma-informed shelter and housing services to those in our programs. Become an All Good Northwest sponsor today and support someone's journey from homelessness to housed - and beyond!
